Re: Mey v. Venture Data, LLC  
Civil Action No. 5:14-CV-123  
Judge Bailey

Dear Mr. Holmstrand:

Our client Diana Mey has authorized us to reject the \$1,503 offer of judgment from Venture Data, LLC. She rejects the offer because it provides no relief to the class she seeks to represent, and because she and we reject your strategy of attempting to eliminate any potential for a class action remedy through pickoff offers. Ms. Mey takes her role as class representative seriously, and she has undertaken that role with full awareness of the obligations it imposes upon her to place class members' interests ahead of her own.

If you wish to negotiate a remedy that will pay cash to all class members, please advise.

Sincerely,

/s/ John W. Barrett
